Today's Second Offering: **Reformed Missions (Costa Rica)**
Rev. Bill & Aletha Green have labored in church planting in Costa Rica. They also helped establish the Tepeyac Christian grade school and high school. Bill is Executive Secretary for the "Latin American Fellowship of Reformed Churches" (CLIR) which has as its goal bringing Reformed churches and groups together throughout Latin America to strengthen church leaders, provide support for those who need it, and serve the propagation and defense of the Reformed faith. Toward that end, CLIR has established a publishing ministry, and is providing Latin America with solid, Reformed resources.

Next Week's Second Offering: **Fund for Needy Churches**
This fund assists other churches in our Classis that are unable to meet their budget. It is managed by Trinity URC in Lethbridge and there are currently 3 churches in need of assistance.

Celebration of Lord's Supper next week
Lord Willing we will celebrate Lord's Supper next week in the morning service.

Church Family
James reminds us that "pure and undefiled religion before God and the Father is this: to visit orphans and widows in their trouble, and to keep oneself unspotted from the world."
May we be a body who remembers our widows, our elderly, those who are hurting, and those in need. May it be especially true that our shut-ins, who can't worship with us anymore for various reasons, are remembered in our prayers and visits.
Pray for our elders and deacons, that they would carry out their task of leading and shepherding the flock of Christ with all joy and humility. May our God grant to these men wisdom, patience, and compassion for the sheep whom Christ has purchased with His own blood.
We continue to pray for those who are battling illnesses, whether short or long-term. May God grant peace and healing, if it is His will.
We also remember our pregnant mothers. May God grant safety and good health to mothers and children. We also remember those preparing for marriage. It is our prayer that God would continue to create families and marriages that are faithful and devoted to Him. And may He bless our families, fathers and mothers, young people and children, protecting us and blessing us in all our different circumstances and struggles.
For any visitors among us, we welcome you in Christ's name and pray that you are blessed and built up in the faith as you worship with us. If you have any questions, please seek out the pastor or any of the elders and we would be happy to talk with you.

Birthday Greetings
Congratulations to Mr. S. VanderMolen who will celebrate his birthday on Monday, March 2, D.V.

Fellowship Lunch Next Week
Eating together is a wonderful way to encourage and grow in fellowship within our congregation. If you are interested in staying afterward for board games, please bring your favourite games.
We look forward to seeing you there!

Missions and Evangelism Committee Meeting
The committee will be meeting, Wednesday March 18, at 7:30 in the Library. We will be discussing the "Fellowship Event" and following up on items from the last meeting. United in Prayer: Up-to-date Requests from our Missionaries.
Rev. Dr. J. Brandon Burks is a church planter in Bellevue, KY.

1. A local PCA gave us their church building and joined our church plant. Be in prayer that we would be good stewards of this new property and also that we would plant deep roots in the community.
2. We have several men in officer training; be in prayer that their training would be insightful, shaping, and impactful, so that their service, by God's grace and power, might be faithful and fruitful.
3. We have an outreach committee planning many events this calendar year. Pray that God would be pleased to use these endeavors to reach the lost.
4. Pray that we continue to grow--both spiritually and numerically--and that we would also grow to meet our budget.
5. Join us in praising God for his goodness and kindness, and pray that we would continue to bring glory to Him in all things.

Reformed Mission Services

- RMS has a team leaving this week for Costa Rica, where RMS has been actively serving for many years. On this trip, we will partner with a local congregation in the Los Cuadros area to help prepare their newly acquired property for a future church building. The members of this congregation have close ties with Bill Green and his ministry through CLIR. Please pray for safe travel, strength for the team, and lasting fruit from this partnership.

- RMS is raising funds to build a ministry and training center in Las Majadas, El Salvador. This center will equip local pastors with Reformed theology through short-term courses taught by visiting professors, and it will offer English classes to residents of surrounding towns, helping them gain skills for jobs and daily life. Your support will help provide fencing, dormitory foundations, and essential preparations so this center can train leaders, strengthen churches, and bless the community. To learn more or give, visit rms.org/projects

- RMS, through URMA, is helping to raise funds to Build a Church, Save Lives, and Share the Gospel in rural Nepal. A growing congregation of about 150 believers in the Udaipur district is worshiping in an unsafe tin roofed structure that is close to collapse. They are seeking support to build a permanent church with adjoining small medical clinic. This center will serve four neighboring villages where there is no hospital and the nearest city is three hours away. Nearly half of the $83,000 needed has already been raised, and the local government has committed to provide a trained health assistant for the clinic. Learn more at rms.org/aashish. Canadian donations should be marked for "RMS Aashish" and sent through URMA.

Sunset Point Teen Camp 2026!

Mark your calendars for August 10-14!

Due to rising costs in food and facility expenses, our camp budget has increased significantly this year. While we have reached out to supporting churches, we still have a financial gap to cover.

We are asking you to consider making a donation to help offset these costs and keep camp affordable for our families. Every contribution no matter the size, directly supports Teen Camp.
